If you are looking for a way for your pet to get some exercise in a new and exciting way, then the BarkPark Dog Walk should be the product of your choice. This particular component is the largest in the whole range of BarkPark products. It is made up of three separate planks which are easily secured together, and strongly supported by either in-ground posts or surface mounts, so you have complete peace of mind about your pet's safety. Depending on your pet's balance level and confidence, they can walk or run up and across and down the planks to complete the task at their own pace. Also depending on the color scheme of your particular dog park, the BarkPark Dog Walk comes in either a natural scheme of green or tan, and the playful scheme with the vibrant colors of blue or red.
