SALE \$1,063.00

Highlights:

- Available only in blue and green
- Comes with lid and liner
- Perfectly decorated for a dog park
- Good place to dispose of trash and pet waste

When it comes your local bark park, nobody wants to find trash scattered about their local play area, especially as it may harm their pets. Once a couple of BarkPark Tidy Up Trash Receptacle have been installed, you will never encounter this problem. These trash receptacles can be bolted into the ground to ensure that they are secure and cannot be removed by vandals. Just like most products in the BarkPark range, this one features the same laser cut dog theme details so that this can fully coordinate with the rest of the amenities in your park. The BarkPark Tidy Up Trash Receptacle has been coated in thermoplastic for superior durability to it is also covered in CanineCoat to protect the receptacle against damage from UV rays and damage against vandals and urine.

For those who might need more liners, check out our Plastic Liner from Ultra Site.
