

Fido and Me Fountain

MSRP \$6,173.00

SALE \$5,248.00

Both dogs and their owners can get thirsty during their trip to the local bark park, and sometimes you can forget to bring refreshments. With the Fido and Me Fountain, you don't need to trek to your nearest shop for water, as it can be easily accessed from this fountain by both canine and human. The BarkPark Fido & Me Fountain provides a pedestal style drinking fountain, where water is released at the touch of a button, as well as a pet fountain attached to the side. Available in the natural colors of green or tan or the vibrant playful colors of red or blue, this fountain comes with a powder coat finish, making it an attractive addition to any bark park. Accessible versions of this water fountain are also available for purchase.

For an ADA accessible model check out either the Accessible Basin Fido and Me Fountain or the Accessible and Standard Basins Fido and Me Fountain.
