The this lid does not include the trash can or plastic liners, but Thomspson Trash cans may be purchased elsewhere on this site. It has been molded from black plastic so it will match all of the colors the trash can is available in. The rectangular hinged top-swinging door encourages people to place their trash inside, rather than tossing it like they might with a receptacle that offers a large opening. The Plastic Dome Lid for Thompson Trash can is available in 32 and 55-gallon sizes. It is made for commercial use, and comes with a one-year warranty.
