

Flat Top Lid for Thompson Trash Can

MSRP \$147.00

SALE \$124.00

Highlights:

- Fits the Thompson Trash Can
- Flat top allows for easy cleaning
- Unique octagonal shape with gentle corners
- Wide top restricts the size of items that are thrown in

The Flat Top Lid for Thompson Trash Can is styled to specifically fit the Thompson Trash Can. It is crafted from 12-gauge galvanized steel for durability and to ensure that it resists rust. Then, to secure bonding and offer a shiny and aesthetically pleasing finish, Thermoplastic is sprayed on the metal. It even features rounded edges that secure snugly over the can. The 8-inch square cutout on top keeps trash contained. Not only is it practical, it is attractive and effective. People take care to make sure their trash goes in the bin, rather than around it, when the can and surrounded area are neat and clean. SportsPlay offers the Flat Top Lid for Thompson Trash Can in 32 and 55-gallon varieties in many colors.
