Children will get their hearts pounding while playing on the Head Start Fitness Course. Designed for keeping kids healthy, this unit perfectly melds fun and exercise into one cohesive experience. Kids will be drawn in instantly with its interactive and intuitive layout. Both ends are a great starting place that will keep the excitement flowing across the playground. The Vertical Ladder leads into the 3-Wheel Swing Ladder that is sure to test coordination and strength. Next comes the Floating Tunnel Climber with its elevated rings; making traversal an interesting challenge. Lastly, the Pebble Climber requires precise balance, which rounds out this already diverse course. There is an ample amount of difficulty throughout the system but it is never overwhelming which will keep both young and old children coming back for more. The Head Start Fitness Course is ready to be undertaken by kindergarteners and elementary schoolers courageous enough proving that getting healthier can be fun, too.
