The Big Foot Beach Playground is as accessible as it gets. This structure's most prominent feature is that it is wheelchair friendly. The ramps guide you to the multitude of activities scattered about; eliminating boredom completely. The Math Panel and Metal Barrier With Ship's Wheel greets you as you begin your journey. Further along, the Tic Tac Toe Panel awaits and is ideal for social growth. Towards the end, the Double Slide, Spiral Slide and Right Turn Slide beckon to all who pass. Various climbers surround the structure, allowing children to access their favorite section of this huge play area. If a kid prefers to keep their feet on the ground, they are in luck; the Bongos, Car Panel, Elephant Crawl Through Panel, Bench Panel and Store Panel keep the fun turned up. There isn't anything the Big Foot Beach Playground can't do.
