Dive into the Lake Shore Playground. Kids can get their feet wet in the ocean of possibilities this structure has. From interactive attachments to long winding slides kids will not be able to resist this unit's appeal. Most notably, the Lake Shore Playground is outfitted with four different slides that perpetuate the fun from top to ground and back again. A smaller Straight Slide waits near the entrance, a larger Straight Slide and Right Turn Slide are positioned a little further away and the end is decked out with a majestic Spiral Slide. Picking the right slide is never a problem on this structure because children will be sure to try them all again and again. The Rock Hole Climber, Wavy Snake Climber and the Snake Climber provide simple access up and down the unit. As far as playground excitement goes, you will be hard-pressed to find a better system.
