The Legend Continues with the Sleepy Hollow Playground. Children beware the Headless Horseman while exploring all this unit provides. This structure is teeming with various interactive attachments that will entice players of any age or size. The Car Panel can take kids on an imaginary ride to wherever they desire and the Ship's Wheel will steer their ship into safer waters. The Sea Creature Climber is embellished with many plastic animals that are steps to the upper level. The top of the Sleepy Hollow Playground is where the Right Turn Slide and Wave Slide's entrances reside. The durability of the galvanized steel decking compliments this play area immensely; keeping the cycle, of sliding down and climbing up, fluid. This system is a robust, multi-functional and perfect addition to any playground in your town's backyard. So kids get ready, the world of Sleepy Hollow awaits.
