You're sure to hit it out of the park with the Campbell Field Playground. Designed to work for preschool or primary school children, the structure compartmentalizes specific activities. One of the best aspects is that it has an entire rectangular shaped space on the ground-level filled with fun panels like the Tic Tac Toe Panel for one on one games, a Bubble Panel for undersea adventures and a Store Panel to work on their early bartering skills. Heading up to the upper levels, children can choose between a Sea Creature Climber, Vertical Ladder, an Inverted Arch Ladder or take the stairs up. Once to they reach the upper portion of the structure they can take the Tube Bridge across or take one of the three slides to the bottom. Make your structure irresistible by choosing any our custom colors in powder coat paint and rotationally molded plastic.
