- Up/Down Crawl Through helps children to focus on building full body strength

Age Group: 2 to 5 years

Footprint: 11' x 16'

Use Zone: 23' x 28'

The Early Years Playscape includes a Rabbit Hutch, Ring Climber, and Up/Down Crawl Thru. This equipment is great for a playground providing children ages 2-5 safe climbing activities. Powder coated cast aluminum and galvanized steel construction is very durable and requires little maintenance. A permanent early years playscape climber includes an anchor kit. Select this from the pull down menu to add to your order. Permanent climbers are necessary for most commercial applications as required for safety purposes.
