ASTM F1487-17

CPSC PUB #325

ADA Compliant

Children will play until the sun goes down on the Sunset Cove Playground. A visual sandwich of activities, the Sunset Cove Playground features bookended slides with nutritious activities slathered in the middle with a generous spattering of climbers. Two per side, the climbers offer a range of difficulty from the easy to access Transfer Station to the leafy Pea Pod Climber. The Snake Climber on one side is the more imaginative version of the classic Vertical Ladder, which is one the opposite side. The deliciously imagination inducing panels include a Bubble Panel for an undersea explorer, the Car Panel for the child that is trying for the win, the Tic Tac Toe Panel for a quick game and a modest Store Panel that can be the window into many a creative story. The physical and mental benefits abound with the wide variety of body and brain muscles being engaged. While it might be named "sunset", it is still available in any of our custom colors that can bring it to life in your community.
