**Use Zone:** 44' 5" x 47' 8"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

The High Country Playground accentuates accessibility. Built with a wheelchair friendly ramp guarantees nobody gets left out of the hullabaloo. If children follow the PVC coated galvanized steel decking they will encounter assorted panels that are designed to amuse passersby. Kids can stop at the Tic Tac Toe Panel and challenge a pal to a competitive game, the Math Panel to brush up on their arithmetic or bang out a rockin' drum solo at the Drum Panel. Children who have had enough of an elevated adventure can ride the Double Slide down and begin the fun on the ground. The PE Rock Climbing Wall will transform children into danger defying cliff scalers. Various plastic footholds jut outwards allowing for an easy ascension that is perfect for the courageous climbers. The Bongos, Single Drum and Ship's Wheel make being off the play system just as fun as being on it. The High Country Playground pairs well with our poured in place surfacing option; giving wheelchair users a firm and safe ground to explore.
