Storage in a classroom or day care is extremely important. The Value Line Narrow 3-Shelf Storage is great for storing play items or supplies. The narrow design allows it to store items without taking up a lot of space. Measuring 35 1/2" high and 47 3/4" wide, these shelves are the perfect size to teach kids the importance of cleaning up and putting away. Each piece of wood features rounded edges for safety. The units are easy to clean and stain and scratch resistant. The shelving is constructed with 5/8" thick maple-faced melamine panels. A lifetime warranty guarantees the Value Line Narrow 3-Shelf Storage. Easy assembly, tools and hardware included.
