The Blue Thunder Play Structure is booming with various activities that are ready to be devoured. Before even entering, kids are met with several different fun options. A Bench Panel, Rain Wheel, Ship's Wheel, Single Drum and Bongo turn the outskirts of this unit into an exciting party. Entering the Blue Thunder Play System is just as fun with the Inverted Arch Ladder and Disc Climber. Both add a different way of traversing this already diverse unit. Inside, the two Straight Slides and the social friendly Double Slide invite kids to come experience their intense thrills. There is also a Gear Panel and Metal Barrier With Ship's Wheel attachment if a child is tired of the constant sliding and ready for something more lax. This one unit will provide many great memories that kids will be reminiscing about for years to come.
