The Mother Knows Best Playground Structure is a fun play system designed for children ages 2-5. Featuring a chute slide and a 90 degree curve slide, this structure is sure to be popular. A loop climber and a clover climber provide challenging ways to get to the top of the structure. There is an ADA transfer station as this is an ADA compliant structure. A post-mounted steering wheel and versa panel are also included. The Mother Knows Best Playground Structure comes in several colors. Contact us today to create your own look.
