The Bees Knees Playground Structure is a bright, fun structure for children ages 2-12. A tree climber and a bedrock climber provide challenging ways to reach the decks of the structure. You can also take the stairs route! Slide down the wave slide or the triple rail slide. A window panel and a kitchen panel help kids use their imaginations. There is a cafe table and two single lily pads underneath a deck for kids to have a seat in the shade! The Bees Knees Playground Structure is an ADA accessible structure.
