Featuring a fun caterpillar, the Cruise-A-Long with Plastisol Decking is a great unit for indoor or outdoor play. The plastisol coated steel deck is industry standard. The nature color scheme fits in with any existing equipment you have. Children ages 6 months to 2 years will love climbing up and sliding down! A bubble lets kids peek out when they reach the top. Fun interactive elements promote motor skill growth. The Cruise-A-Long with Plastisol Decking is easy to clean and easy to assemble and move around!
