Use the durable and long lasting Small Hinged Message Center as a place to post your messages of importance that you wish to convey to park-goers. The message center has two hinges that attach to a shatter resistant door, making for easy placement and changing of messages. It also has a vandal resistant locking mechanism so you don't have to worry about theft or unwarranted changes. It is made from industry leading eco-durable recycled plastic, has high quality cork, and comes with marine-grade stainless steel hardware. Since the recycled plastic is eco-durable it can withstand all the elements of nature, and it is also easy to wipe down. The Small Hinged Message Center is available in cedar or green. You can order it as one-sided with one post, or one-sided with no post. The post is 6-feet before install.
