There is more than meets the eye when it comes to Calvin the Caterpillar by Little Tikes! Not only will you find fun details that make the climbing sculpture more appealing, but you will also find learning opportunities! Children can discover the life cycle of a butterfly on Calvin's belly. Underneath each of his shoes there is a surprise just waiting to be discovered. A ladybug count-to-ten game can also be found. Calvin the Caterpillar is intended for children ages 2 to 5 and is available in many color options. Call us today for a color list.
