### Little Tikes Dina the Dinosaur Playground Equipment

Dina the Dino by Little Tikes is a fun, dinosaur-themed climbing sculpture for children ages 2 to 5 years. Kids will love climbing on the back and up the neck of the dinosaur and creating fun games to play with it. Eyes, toes, a mouth, and spots on the back are fun details that add appeal to the unit. Dina the Dino is made of heavy-duty plastic that is durable and easy to clean. This Little Tikes dinosaur is available to purchase in several colors.

AAA State of Play is dedicated to bringing you only the best prices and customer service to help you create the ultimate imagination-friendly play space. Play is vital for children's growth and development, and building a playground filled with toys that stimulate the imagination is a wonderful way to make sure that both children and caregivers have the best time at your park. Whether you're looking for dinosaur playground equipment or other play sculptures, AAA State of Play is sure to have everything you need!

### The Importance of Imaginative Play

Outdoor imaginative play is extremely important to early child development. When children engage in outdoor imaginative play, they are presented with the opportunity to interact with their peers, enjoy sensory experiences with sand and water, and develop their imaginations through creative games. By installing dinosaur playground equipment and other play sculptures on playgrounds, you are encouraging kids to be creative and use their imaginations. [\[Read More\]](#)
