Bring a bit of flavor to your playground with the Candies Crush Play System. Designed to evoke the imagination with its multi-colored slides and strong primary color design, it can shine just as well with any of our custom colors. Starting with the cute Pyramid Shingle Roofs at the top, children will be wowed before even setting foot on the site. The slides that slither away in the form of two Left Turn Slides from a 6-foot height and a simple Straight Slide that juts out from a 4-foot height; adding dimensions to this robust playground. The Curved Tube connects the two distinct sections together while adding to the whimsy of the structure. Children will excitedly rush up the Sea Creature Climber, Inverted Arch Ladder and the Snake Climber to reach the enticing upper platforms. Once they've had their fill of sliding, they might take a turn on the Rain Wheel or try their hand at a song or two with the Bongos and Single Drum.
