ASTM F1487-17

CPSC PUB #325

ADA Compliant

Make a kid's dreams come true with the Gumdrop Hill Play System. It comes fully equipped with rousing activities that are enticing to children in kindergarten and older. The Pyramid Shingle Roof gives this structure a castle-like aesthetic making a king or queen out of all who play beneath it. A Rain Wheel, Single Drum and Ship's Wheel are ground level accessible adding a layer of convenience to an already approachable system. Getting to the slides couldn't be easier with both a Snake Climber and the Overhead 90-Degree Swinging Ring Ladder that make scaling the Gumdrop Hill Play System an exciting event. A Bubble Panel and two, long Straight Slides are a kid's reward for scaling this large unit. The Bubble Panel allows children to observe the fun below and the Straight Slides let them enjoy a thrilling plunge back to Earth.
