Use Zone: 16' 1" x 17' 6"

The bright black and yellow colors of Nectar the Bumblebee will immediately draw children to play! One or two riders can use this spring bouncer. The rider in front will take hold of the antennae while the rider in back has a handle to hold on to. Wings that stretch out to the sides provide foot rests for the riders. The happy face on the front of Nectar the Bumblebee is one that kids will find inviting! This spring bouncer is intended for children ages 2-5.
