

Circle Learning Lab

Price \$2,772.00

Highlights:

- Pie-shaped science exploration center
- Four different areas to fill with different materials
- ADA Accessible because it is raised
- Great place for children to come together to learn and play

Age Group: 2 to 5 years

Footprint: 2' or 2' 5" H x 4' 8" D

Use Zone: No use zone required.

The Circle Learning Lab is a great sensory experience for children ages 2-5 years old. With four separate trays waiting to be filled, kids will spend hours playing and discovering. Fill the trays with water, sand, and other sensory materials for maximum fun. Four lids cover the trays when not in use. They also provide coloring opportunities! The Circle Learning Lab is brightly colored and easy to wipe down when messes occur.
