Children ages 2-5 years old will love all there is to do on the Clever Climber Cut Loose by Little Tikes. This interactive system features two activity shelves and a drama stage with windows. A driving station, dino life cycle panel, and dino egg spinner are also featured. A panda bamboo panel and a turtle cove crawl through with marine life lets kids learn about animals while they play. Stone Stack and Mount Climbmore are fun climbers while a glide slide eases kids back to the ground. A transfer station ensures that the Clever Climber Cut Loose is ADA compliant.
