The Clever Climber Jump Start by Little Tikes is a fun, interactive system for children ages 2-5 years old. The transfer station ensures that this system is ADA compliant. The little hands rails help children get safely up the steps. Three learning stations and two activity shelves provide great learning experiences. There is also a dinosaur egg spinner and a dino life cycle panel for children to learn about dinosaurs! A driving station with steering wheel and funnel slide are also included. The Clever Climber Jump Start is available in three color schemes.
