Use Zone: 14' L x 21' 6" W

The Half Moon Rung Climber is a fun and challenging playground climber for children from 5 to 12. The design allows children to climb while safely supported by the rung bars. The Half Moon Rung Climber is a one-piece welded frame with ground anchors for in-ground mounting. This unit is standard in a red powder coated galvanized steel but available in other colors for an additional charge.
