

Preschool Bench

MSRP ~~\$654.00~~

SALE \$556.00

The Preschool Bench is a three foot long bench with rounded corners to prevent injury. This bench is available as a portable bench or mounted inground. The bench seat is 12" off the ground, providing an easy place to sit. All hardware is stainless steel. Choose between a diamond metal and a perforated metal pattern. The Preschool Bench is a great addition for any area with a lot of children. They will love the comfortable place to sit while playing!
