

T Cantilever Bleacher Shade

Price \$4,535.00

Highlights:

- Sturdy two post configuration
- Order to fit your bleacher size
- Comes with fixed or glide elbows
- Creates a protected area on your bleachers

Finally, a solution for bleachers that makes sense and does not break the bank. The T Cantilever Bleacher Shade offers a covering that not only looks great, but also protects against UV light. Your aluminum and steel bleachers will be shaded with a Bleacher Shade. Each size is manufactured to safely cover a specific size of bleachers. The standard shade models fit bleachers from standard sizes of 3 rows at 7.5 feet long up to 5 rows at 33 feet long. All fabric and steel is manufactured to order by your specification of powder coat paint and fabric. Contact customer service for custom sizes to fit your bleachers!
