

Frog Furnishings Surface L-Brackets (set of 2)

MSRP \$32.00

SALE \$28.00

Highlights:

- Bracket is as strong as steel
- Recommended for all products with recycled plastic bases
- Screws not included with bracket
- Standard lag screws effective for mounting

Keep your tables, chairs and benches right where you want them, firmly held to the concrete with Frog Furnishings Surface L-Brackets. These brackets take a novel design to add incredible strength to your surface mounting. Attach these brackets to any of Frog Furnishings' recycled plastic outdoor amenities, and you'll have them steady and secure in concrete or many other outdoor surfaces. That flexibility and utility extends to the fastening agents. While the Frog Furnishings Surface L-Brackets don't come with screws, they offer plenty of alternatives for you to choose from. Use Tap-Cons, rebar or just standard lag screws to fully secure your furniture. However you do it, you'll be able to relax knowing your Frog Furnishings furniture isn't going anywhere once you've installed these L-Brackets.

Frog Furnishings also offers the Frog Furnishings Surface Elite Bolt for Elite Series bases.
