Securing those slightly awkward or irregular bases can be a real pain, but with the Frog Furnishings Surface U-Brackets you'll be able to fasten them to the concrete or asphalt with no hassle at all. Designed to secure Frog Furnishings metal picnic tables, the U-Brackets are tough, easy to use, and designed to keep your tables right where you want them. There's no need to worry about tables getting tipped over or stolen anymore, where you park that table with a U-Bracket, it is going to stay for as long as you want it there. There reason for that is the high-quality, durable design of the bracket. Since the U-Bracket is galvanized it will not rust, it is designed to last. Not only will this secure your table to the ground, the U-Bracket kti makes it easy to perform the installation as well, thanks to the inclusion of eight screws and a drill bit. Once you have this kit, just take your Jayhawks metal picnic table, pick the right spot and secure it to the ground.
