

Frog Furnishings Custom Engraving (per board)

MSRP \$95.00

SALE \$83.00

Highlights:

- Available on all Frog Furnishings recycled plastic benches
- Great for memorial or school benches
- Some logo and artwork is acceptable
- Character limits apply, depending on length of board

Give your Frog Furnishings bench that individualized touch with a Frog Furnishings Custom Engraving. You can show some school spirit by putting your high school or college's name right around the top of all your benches, or you can honor a loved one or important donor by immortalizing their name on a bench that will see years and years of use and appreciation. The engravings aren't limited to words, either. You can also have your artwork and logos engraved on a bench. Frog Furnishings Custom Engraving is only available with Jayhawk Plastics benches. It will add three weeks to shipping time. Engravings are priced per board, and there are some limits on number of characters and art that can be used. Character limits include an estimated 28 characters per 4-foot board, 38 characters per 6-foot board and 48 characters per 8-foot board. Call one of our sales representatives today to get the custom engraving process started!
