The Tot Town Octo Toss Game is a great playground game that promotes activity and skill at a young age. Shaped like a giant octopus, children are engaged to play with this equipment. The blue color and frame are built to last several years of bean bag throwing. Bean bags are not included. The 3/4 inch high density polyethylene is supported by two powder coated 2-3/8 inch galvanized steel posts. The Octo Toss does not require surfacing and may be placed in grass.
