Children love the idea of flying through the air. The Flight Jet provides kids with a sense of adventure as they climb into the cockpit and take off. With three seats, one behind another, a small group of children can fly off together, exploring any destination they can think of. Two turning steering wheels allow two children to steer the plane while one gets to enjoy the ride. The bright colors and detailed pieces add to the theme of the plane. The Flight Jet is designed for children ages 2-5 years old and is sure to add hours of fun to play time.
