Children dream of flying helicopters and planes. Help bring their dream to a reality with the Helicopter Pilot Training unit. This fun, kid-sized helicopter features two seats, perfect for a pilot and co-pilot! A bubble window in front allows children to peer out as they fly away. An open top and sides provide easy access in and out of the unit. The Helicopter Pilot Training promotes dramatic play among children ages 2-5 years old. This unit is also great for jump starting the imagination.
