

Portable Baseball Backstop with Hood

MSRP \$5,471.00

SALE \$4,596.00

This unit is great for a sport park with multiple uses and a need to conserve space. The Backstop Transporter is optional and makes moving easier. The picture shows the Portable Backstop. SportsPlay's prefabricated sports panels cut installation time in half. Panels can be replaced or re-screened individually. The 2-3/8 inch OD pipe frames resist vandalism. Available with black vinyl coating at additional cost.
