Storage can get a little messy any time basketballs are involved. When left loose, basketballs can easily get kicked around, tripped over, and ruined. Proper storage increases the life of the basketball. The 12 Ball Capacity Cart solves these problems with three racks for ball storage. The no topple base and wheels make the cart easy to take in and out of storage. Though this cart is designed for 12 basketballs, the cart can store soccer balls, volleyballs, and even rubber playground balls. The 12 Ball Capacity Cart is 41" in length, 17" wide, and 41" high. Let the 12 Ball Capacity Cart do the storage work for you!
