

Teeter Spring Rider

MSRP \$1,286.00

SALE \$1,081.00

Age Group: 2 to 5 years

Footprint: 2' x 6'

Use Zone: 14' x 18'

The Teeter Spring Rider is an old classic that has undergone few changes. The 5 inch OD pipe sits on double springs for double the bounce. The hand and foot grips make this bouncer easy to use. The teeter rider offers a similar motion as the seesaw with a much softer and safer motion for preschool age children.
