---

With the wide base of the 16" Heavy-Duty Scooter with Handles (set of 6), children of all ages can enjoy gliding around on the ground. Two handles make running to get the scooter going an easy task. The handles are also great for children to hold on to while zooming. This set of 6 scooters is composed of one scooter in each of the following colors: red, blue, yellow, orange, green, and purple. The heavy-duty plastic gives your scooter a longer life, so many children can enjoy it. The wheels easily swivel for quick changes in direction. The 16" Heavy-Duty Scooter with Handles (set of 6) is perfect for physical education classes and recess.
