

Pitching Safety Screen

MSRP \$282.00

SALE \$177.00

Line drives and sharp grounders never need to be of concern, thanks to our rugged Pitching Safety Screen. Measuring in at a generous 72" x 72", this pitching screen is constructed of heavy-duty 1.5" steel tube frame and heavyweight, built to last nylon netting. This versatile pitching screen drops to 36" for throw through and is reversible for both right-handed and left-handed throwers. You'll find the Pitching Safety Screen to be a worthwhile investment in both safety and practice productivity.
