Improve your speed by training with the 6" High Speed Hurdle (set of 6). By placing these hurdles at the desired intervals, you are able to use them for a wide variety of training drills. The hurdles are made of a lightweight plastic, increasing safety if they get knocked over. The rounded bottoms allow the hurdles to rock back and forth easily instead of falling over. The hurdles can also be used for jumping drills. Adjusting the space between hurdles also allows you to practice stride length drills. The 6" High Speed Hurdle (set of 6) consists of one hurdle in each of the following colors: red, yellow, orange, blue, green, and purple.
