

Richard Modular Playground

Price \$20,626.00

Age Group: 5 to 12 years

Footprint: 13' x 24'

Use Zone: 25' x 36'

Richard is a modular playground structure, meaning the design is flexible. A modular play system like Richard can be added to in the future by purchasing more decks and posts, just like building onto a house. The structure offers a triple rail slide, spiral slide, and other equipment for elementary age children. This unit is offered in a 3.5 inch and 5 inch post.
