Hit the beach with the Gold Coast Play System. This striking playground comes with numerous activities sure to light up kids' faces. It has three unique toppers, the Lotus Topper, Palm Tree Topper and Flower Face Topper, that grasp attention and beckons onlookers over. Children in preschool and kindergarten will have the time of their lives exploring what this unit has to offer. The ground level is comprised of the Ship's Wheel, Rain Wheel and Bongo set; all of which provide solo play activities for those that prefer playing alone. The Pebble Climber and Carrot Climber add a fun alternative to stairs leading children to the upper level. The top of the structure provides access to two different slides, the Bubble Panel and the Tube Bridge. The slides are made of rotationally molded plastic that will endure daily use. The Gold Coast Play System is ready to make any backyard or playground lot sparkle.
