Azure to Have Fun Play System's genius is in its simple design. Children large or small will find joy delving into this structure and experiencing what it has to offer. Climbing to the second level comes with a degree of decision making. Kids can choose between the Spiral Climber, Arch Climber, Inverted Arch Ladder and Vertical Ladder to fit their needs. Once they are above, they can look through the Bubble Panel to see the fun below, enjoy a game at the Tic Tac Toe Panel or take the plunge down the large Left Turn Slide. The Bench Panel and Store Panel on the ground, provide even more enjoyment if relaxing or playing pretend is more their style. No matter the case, children will gravitate towards and love the Azure to Have Fun Play System and what it has to give.
