Children of all ages will love expressing their musical interests with the Free Play Drum Beats Panel. Since this is a freestanding unit it can be placed just about anywhere on the playground! Because this unit does not take up a lot of space, it is also great for small playgrounds. The bright colors will stand out to users, drawing them in to create a tune, and foster the love of music in children. If a different color is preferred we have many to choose from. Our primary and neutral color palettes are ready for 1 - 2 week quick shipping. A custom color will take closer to 6 - 7 weeks before arrival. The whimsical design is also appealing to their eyes. The Free Play Drum Beats Panel is an ADA accessible unit, so all children will be able to enjoy playing with it.
