Exercise minds, young and old, with the Free Play Tic-Tac-Toe Panel. This freestanding unit is a perfect fit for anywhere on the playground. All age groups will love challenging their friends to a quick game of the classic tic-tac-toe. The bright colors of the unit will stand out to users. The large spinners are clearly marked with an "X" on one side and an "O" on the other, allowing users to easily spin the piece to the desired letter. No need to replace worn out cylinders, the Tic-Tac-Toe Panel includes molded-on graphics. The Free Play Tic-Tac-Toe Panel is ADA compliant when placed on an accessible route. This panel is available in an array of colors to fit any playground or whim. Primary and neutral color schemes are readily available for quick shipping. A custom color palette will take 10 - 14 weeks before shipping.
