Beware of sieges on the Arthur's Apse Play System. Children will become royalty while playing on this castle-themed structure. Easy entering and exiting is the design focus of this unique unit. The Vertical Ladder, Snake Climber, and Rock Hole Climber get kids in the middle of the action with minimal effort. While inside the castle, a Tic Tac Toe Panel and Bubble Panel are ready to entertain the masses. The Right Turn Slide and Left Turn Slide both provide a fun way out and down to the ground-level activities. Kids can improve their musical talents with the Single Drum attachment or make soothing noises with the Rain Wheel. The Arthur's Apse Play System, like a real-life castle, will stand sturdy with its durable materials and design; ensuring a long-lasting place for non-stop excitement, exploration, and creativity for years to come.
