The Strawtown Pike Play System is our largest in-stock structure with the ability to be shipped in Primary or Neutral color schemes in one to two weeks. For those that are looking for a structure for an upcoming event fast, the Strawtown Pike brings play for elementary aged children to a playground near you quickly. If you're interested in a custom color palette, it can be ordered in a wide variety of colors at a six to seven week shipping time. This unit can comfortably accommodate several play hungry children that are ready to adventure through a maze of plastic and steel. Children can ascend the Lotus Step Climber, Vertical Ladder, Vertical PE Rock Climbing Wall or Figure Climber to get back into the thick of it in unique ways. A system with this much variation is a captivatingly fun time for school-aged children of any size or shape. The Strawtown Pike Play System is as safe as it is fun. The steel of the unit is powder-coat painted and the plastic is roto-molded.
