Use Zone: 14' 9" x 17' 10"

Children love bouncing around on spring bouncers, especially when they can enjoy playing with their friends at the same time. The Bug Car allows up to four children to play at once. As they use teamwork during play, kids can really get the Bug Car bouncing. Benches stretch across to create the car seats. Each seat has its own steering wheel so everyone can drive. The safety rolled edges and treated lumber or non-slotted composite deck mean no splinters and no maintenance. There are fun wheels and smiley face headlight details on the car. The Bug Car is designed for children ages 2-12 years old.
